

Sports Journal Order Form

Dear Varsity and Junior Varsity Parents:

Participation in the Sports Journal is an opportunity to enhance the athletic programs at Manhasset High School as well as celebrate your child's achievements as a dedicated athlete. The journal will be presented to all Varsity players at the conclusion of the season. JV Players who contribute to this endeavor will also be given a journal.

The journal contains photos of the team at different venues, including games, pasta parties and practices. It will be a treasured keepsake for your son/daughter and will highlight his/her team experiences throughout the season. The journal will contain photographs and print ads (notes of love and congratulations) from parents, grandparents and friends. Businesses are also welcome to support the journal.

- * Make checks payable to: **Manhasset Booster Club**
- * Manhasset Booster Club donations are tax deductible
- * Mail or email your journal ad to your parent team leader
